Shortly, we will be renewing this consent in line with GDPR (General Data Protection Regulation). This will involve The Prince of Wales School publishing new 'Privacy Notices' to parents/carers and staff as well as a new consent form. More information about this in due course.

In addition to the above, we are currently working towards a nationally accredited 'Social School' Award which seeks to promote safe and responsible use of social media and we hope to continue to refine our practice as part of this process. We will also be taking the following actions -

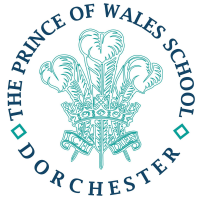

ACTION - Restructure Website - To ensure that the website becomes the main content hub. It should be the "feeder" of Facebook, not the other way around.	WHEN - August 2018
ACTION - Redesign Consent Form - As above in yellow.	WHEN - May 2018
ACTION - Ensure <u>detailed</u> trip information is not shared via Class Blogs or Social Media ahead of trips and visits.	WHEN - April 2018
ACTION -We will be more vigilant about items in the background of images.	WHEN - April 2018
