**Primary PE and Sport Premium Funding 2016 / 17 and**  
**Impact Report for 2015 / 16.**

**Sport Premium Funding 2016 / 17**

The majority of our sport premium funding is pooled with three other local first schools and the local middle school to employ a qualified Sports Coach to teach PE across all five schools and help staff improve their PE teaching and sports provision (a Dorchester Area Schools Partnership Olympic Legacy Leader Project). The rest of our funding is spent on providing extra-curricular activities to broaden the range of sports and activities offered to all our pupils, including those with physical disabilities.

**Our total funding and how it will be spent in 16 / 17:**

Total income: £8000  AND 126 x £5 = £630  Total - £8630	£4310	DASP OLL Project
	£1335	Employment of a local coach to provide weekly after-school sport on the school site and to support the DASP Holiday Club. (Summer Term 2016 only)
	£1385	To providing extra, additional activities such as outdoor and adventurous activities, particularly for our disabled children eg. Table Cricket Festival, Boccia Tournament, Victoria School Specialist PE Festival etc
	£1000	To provide transport for inter-school competitions.
	£600	To purchase new Gymnastic mats and a bench to improve quality of gym lessons.

The DASP project gives children in our school the opportunity to work with an Olympic Legacy Leader (OLL) on a weekly basis. The OLL is a trained sports coach with a Sports Science degree. This year, the school is targeting some of the Sports Funding to ensure the children in our Resourced Provision access joint sporting activities with other specialist schools for children with physical disabilities in Dorset. The DASP OLL and school target for 2016/17 will be to organise and carry out more **intra**-school competitive opportunities. To succeed with this we will carry out some new events in school. For instance, in preparation for the DASP Tag Rugby event for Years 3 & 4, we will run a competition in school between Years 3 & 4. This will build on existing practice in organising annual sports days for all year groups and internal swimming galas for Years 3 and 4. At the beginning of next year we also plan to spend a portion of the money on renewing our gym mats and one of our benches. Other members of staff have been invited to share their ideas for future purchases. An initial idea to come from this is to buy a set of 'Nerf Arrows' to aid the skill of throwing over longer distances.

## **Impact Report for 2015 / 16**

### **The impact on pupils PE and sport participation in 2015 / 2016:**

1. Each class has 3 PE lessons a week, including those led by the OLL.
2. Pupils have experienced a wider range of sports delivered by qualified sports coaches through the DASP Project. OLL's organise inter-school competitions on a regular basis across DASP. Below is a list of events attended this year:
  - Basketball
  - Tag rugby
  - Multi-skills for Year 1 and 2
  - Orienteering
  - Athletics
  - Kwik cricket
  - Disability festival
3. We also have school staff members that run football and running clubs. There has been a notable increase in the number of KS1 pupils accessing our after school sports clubs, whereas KS2 numbers appear to have remained the same. We plan to address this issue by gaining children's thoughts on current clubs run and discussing alternative clubs or improvements that can be made.
4. We also attended events that were organised by other schools & organisations, including ourselves. These include:
  - Dorset Schools Swimming Association & School Games final
  - Dorset and Open Inter Biathle Relay Championship
  - West Dorset swimming Gala – came 1<sup>st</sup> and 7<sup>th</sup> out of 14 teams
5. OLLs have organised opportunities for disabled pupils. We have also attended events organised by other organisations and ourselves, including:
  - Table cricket
  - Dorset Boccia Tournament
  - New Opportunities Days
  - Dorset School Games event (swimming)
  - Disabilities sports day
  - Riding for the Disabled
6. OLLs liaise with local sports institutions and have arranged professional development opportunities for staff in cricket and Kwik cricket and Lacrosse. They have also passed along details for local institutions to come in to the school and provide 'taster sessions'. The Dorchester Tennis club who visit on an annual basis.
7. Children work with Year 8 Sports Leaders organised by DASP OLLs. Sports leaders are present at inter-school competitions and they also assist the running of our Sports Days in the Summer Term.
