# POWSA BIG PROJECT

To develop the Reception Classroom  
Outdoor Learning Environment

Why? "Outdoor learning complements indoor learning and is equally important. Play and learning that flow seamlessly between indoors and outdoors enable children to make the most of the resources and materials available to them and develop their ideas without unnecessary interruption."

INTERNAL CHAOS

TEAMWORK

# Vision and Direction

**Not the Messiah!**

**There are no magic wands.**

The one common factor in school success is hard work, commitment to the vision and the whole school pushing together.

# Vision and Direction

**Raise attainment and accelerate progress**

**Improve the quality of teaching and learning**

**Improve the conditions for learning**

**Develop the school as a professional learning community**
