

# PARENT FORUM THIS WAY

Autumn Term One - Friday 6th September 2019

There is the flash in the pan, the sudden success. But continued success is dependent upon tremendous attention to detail.

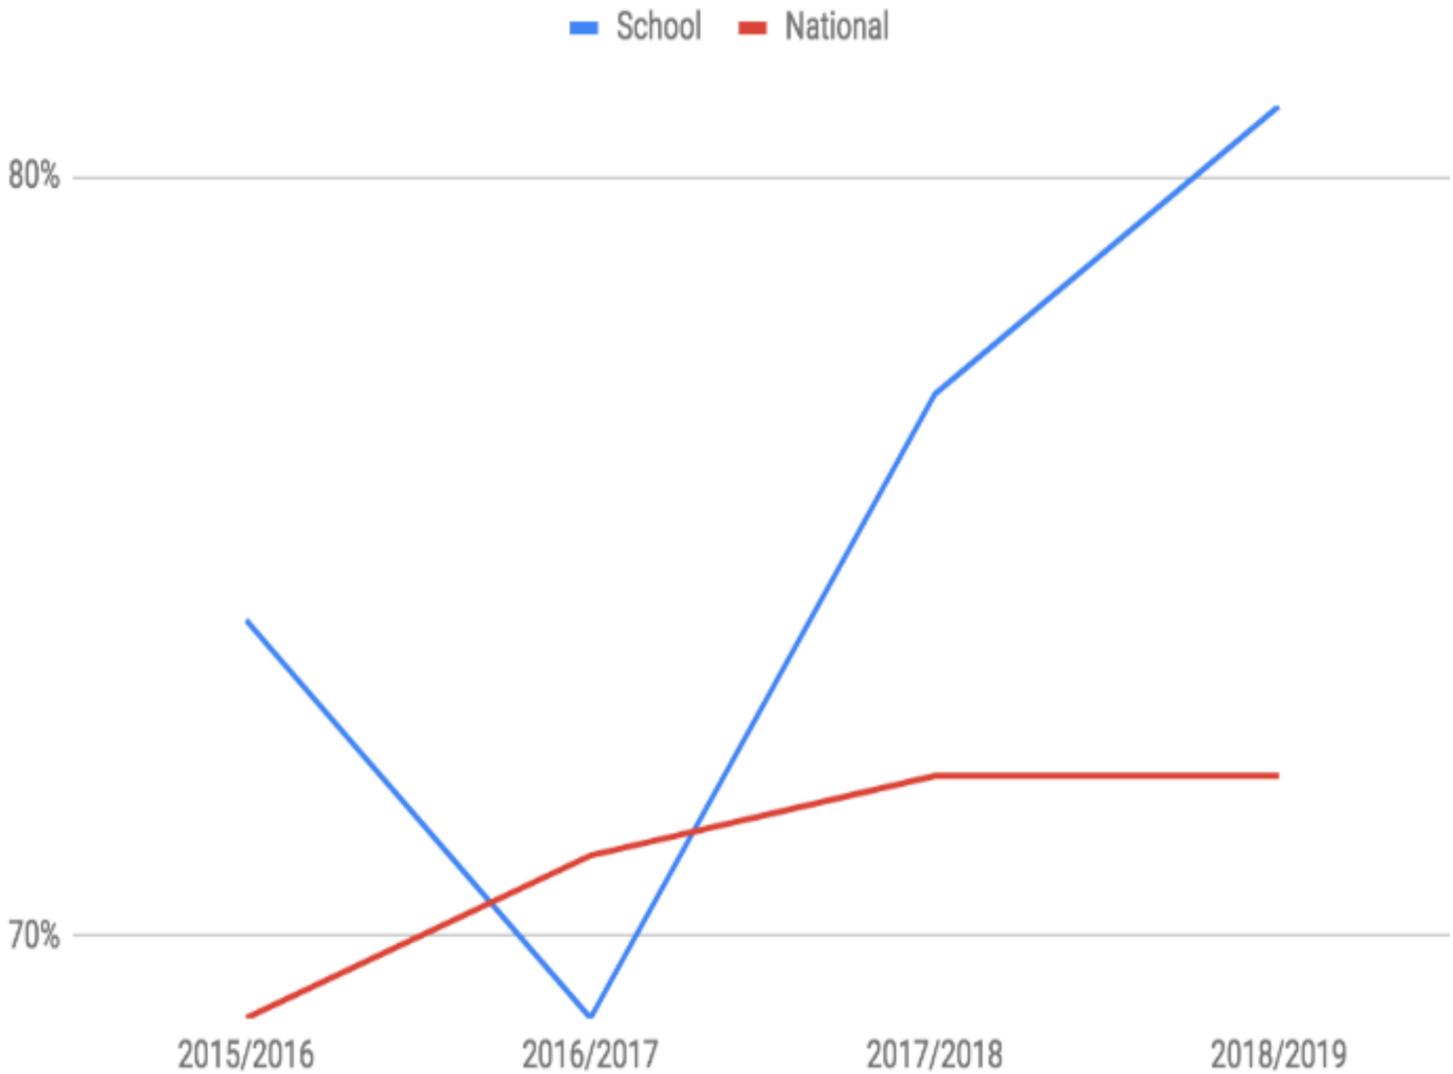

Frederick Lenz

**It's the repetition of affirmations  
that leads to belief. And once that  
belief becomes a deep conviction,  
things begin to happen.**

Muhammad Ali

# THINGS ARE BEGINNING TO HAPPEN HERE...

Reception - % of children achieving a Good Level of Development -

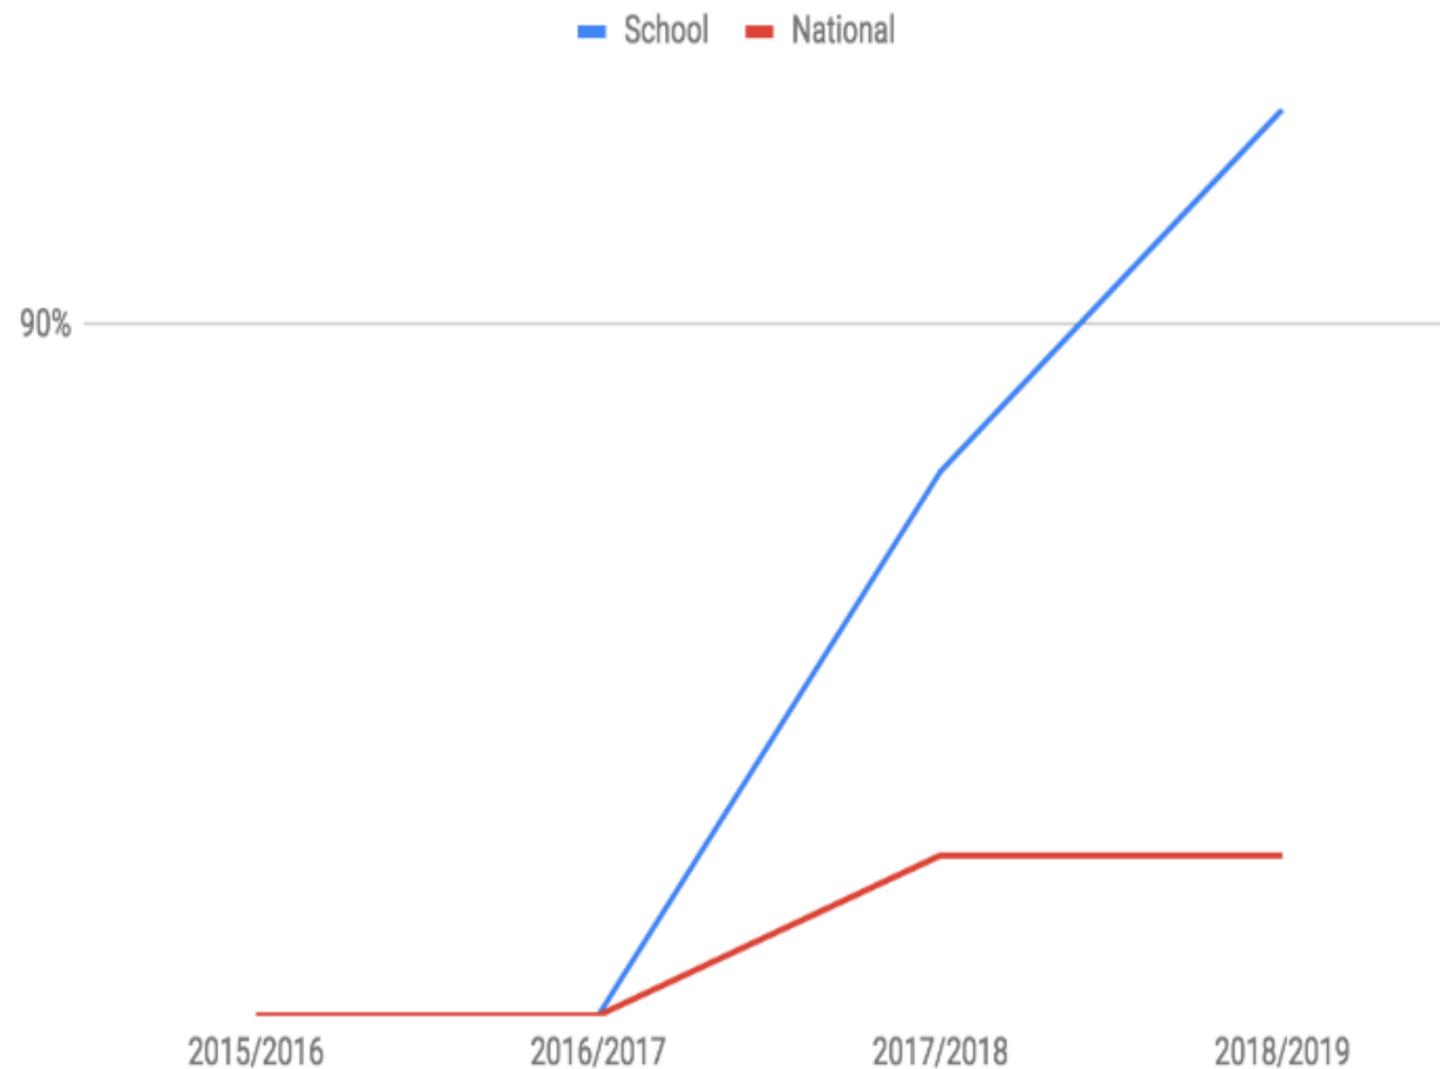

In Reception, our #InspiredToLearn approach has seen a record number of our children for The Prince of Wales School achieve a ‘Good Level of Development’ (GLD) with **81%** of children achieving this benchmark. We have also seen a record number of children achieve ‘exceeding’ levels of attainment across the curriculum but especially in Reading where our Read, Write Inc. approach to teaching Phonics has had a massive impact.

**Importantly, we have reversed our three-year declining trend in data and built upon the success of last year.**

# THINGS ARE BEGINNING TO HAPPEN HERE...

## Year 1 - % of children passing the Year 1 Phonics Check -

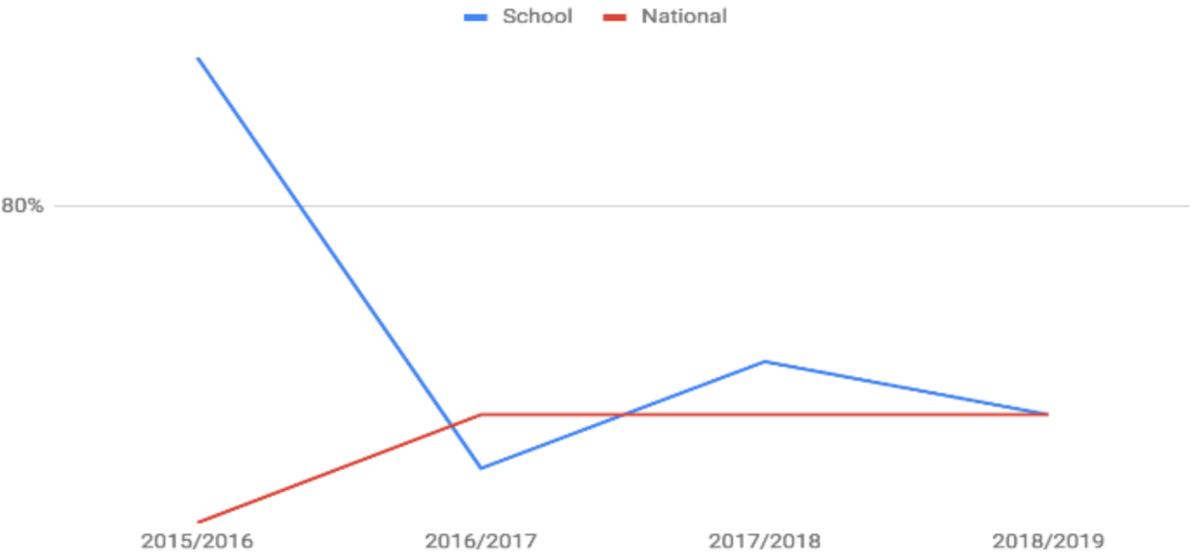

In Year 1, our #InspiredToLearn approach has seen a record number of our children for The Prince of Wales School achieve a Year 1 Phonics Check 'PASS' with an incredible **93%** of children achieving this benchmark!

Again, our approach to Read, Write Inc. Phonics has been instrumental. A special thank you to all the parents and carers who have supported this programme with lots of 'FRED TALK' at home.

**Importantly, in Year 1 we have reversed our poor three-year trend in data and built upon the success of last year.**

# THINGS ARE BEGINNING TO HAPPEN HERE...

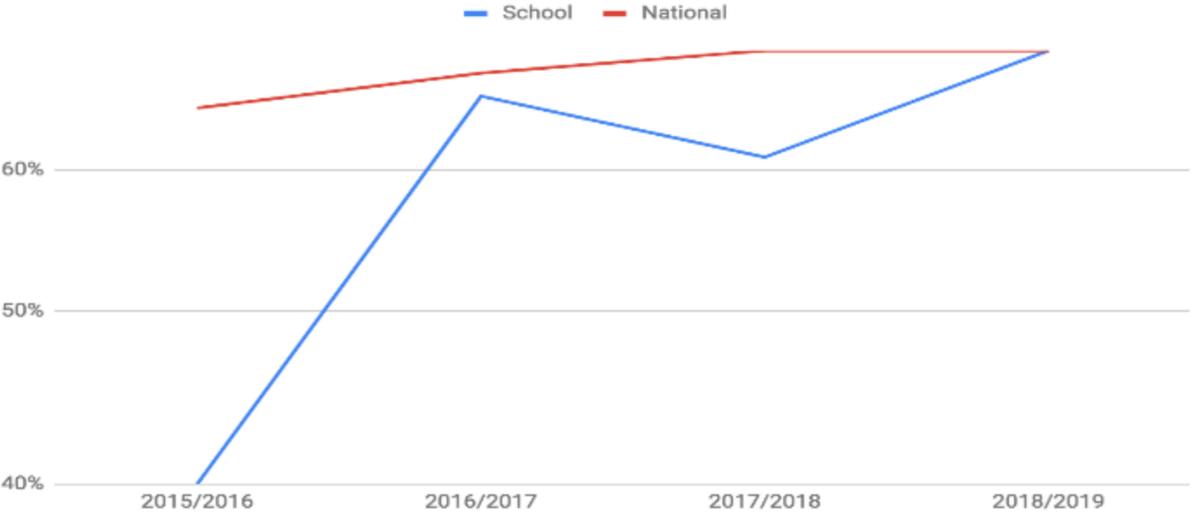

## Year 2 - % of children meeting Age-Related Expectation (ARE) in Reading -

Our Year 2 reading data includes data for all 33 children, including those children with 'unit roll' status.

In Year 2, our #InspiredToLearn approach has secured outcomes in line with the national average, despite children's low starting points.

## Year 2 - % of children meeting Age-Related Expectation (ARE) in Writing -

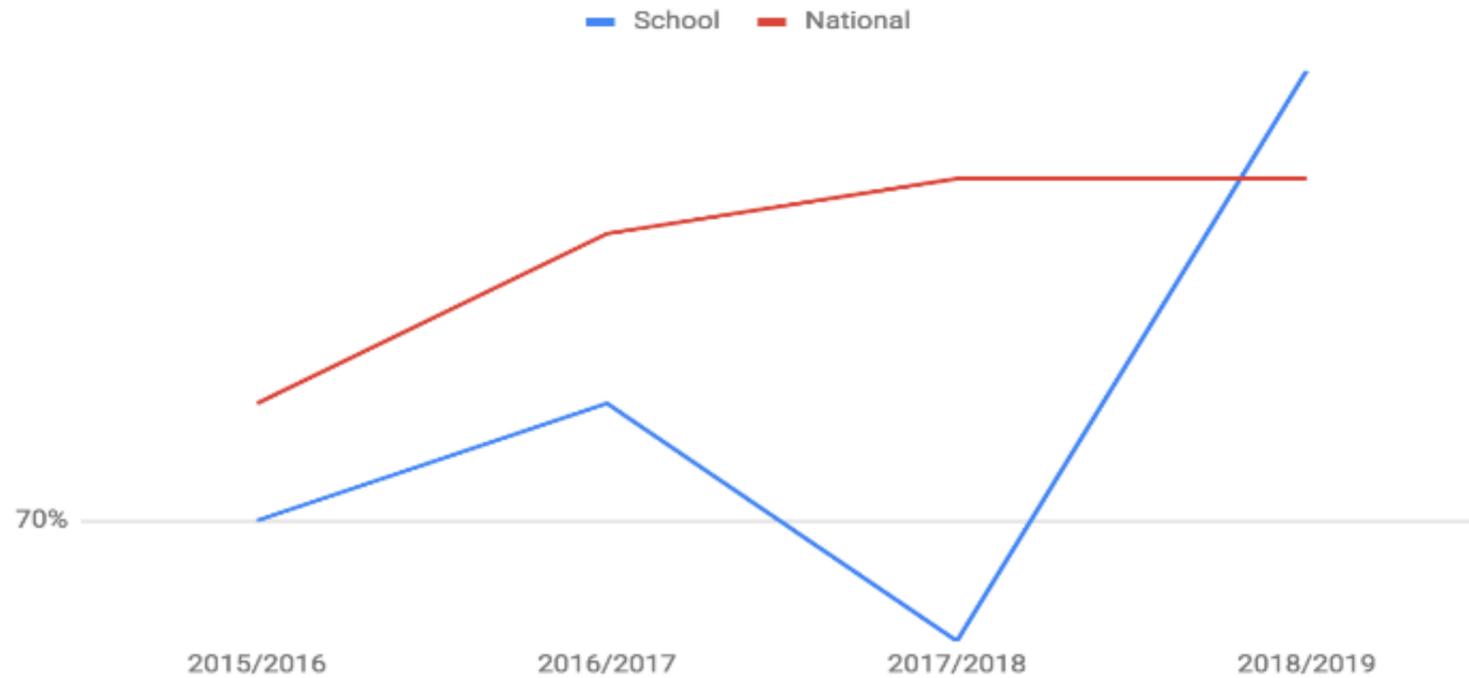

Our Year 2 writing data includes data for all 33 children, including those children with 'unit roll' status.

In Year 2, our #InspiredToLearn approach has secured outcomes in line with the national average, despite children's low starting points.

# THINGS ARE BEGINNING TO HAPPEN HERE...

## Year 2 - % of children meeting Age-Related Expectation (ARE) in Maths -

Our Year 2 maths data includes data for all 33 children, including those children with 'unit roll' status.

In Year 2, our #InspiredToLearn approach has secured outcomes in line with the national average, despite children's low starting points.

**This year's Y2 data also included a record number of children from The Prince of Wales School achieving a 'Greater Depth' level of learning in Reading (26% working at Greater Depth) , Writing (16% working at Greater Depth) and Maths (22% working at Greater Depth).**

THINGS ARE BEGINNING TO  
HAPPEN HERE... BUT...

WE ARE JUST

GETTING STARTED

*#InspiredToLearn*

The background features a sunset sky with orange and yellow clouds, a dark mountain range in the foreground, and a semi-transparent geometric pattern of colorful triangles in shades of green, blue, and purple. The text is overlaid on this scene.

*The*  
**BEST**

*is yet to come*

A scenic landscape featuring a winding asphalt road that curves through a valley. A person in a blue shirt is running on the road. The background shows a sunset over a valley with houses and trees, with a few birds flying in the sky. The sky is a mix of blue and orange. The overall mood is peaceful and inspiring.

Motivation is what gets you started.  
Habit is what keeps you going.

Jim Rohn
