## #InspiredToLearn COVID-19 Response - Questionnaire

Thursday 12th March 2020

Dear Parent/Carer,

In the event of enforced school closure, The Prince of Wales School is committed to providing remote access to learning and stands fully prepared to launch a #InspiredToLearn COVID-19 Virtual School -

## #InspiredToLearn COVID-19 Virtual School

Should the need arise for this provision, we will issue immediate guidance (on both the platforms to be used and the rules of engagement) as well as comprehensive advice and ongoing support.

From experience, I know that online learning can be extremely powerful, however, I also know it's hard to maintain interest and impact. Novelty quickly fades and no one wants to be sat in front of a computer screen all day long!?!

For that reason, please be assured that should the need arise for this provision, we will ensure a blended approach that continues to inspire all children to learn.

To this end, we are keen to seek your feedback and would appreciate you completing the attached questionnaire and returning it to the school office no later than **10:00am on Monday 16th March 2020**.

We thank you for your continued support.

Yours faithfully,

Mr. Gary Spracklen - Headteacher
