FOOD AND FARMING FORTNIGHT SCHEDULE 2019

Dear Parents and Carers,

Please see below for an outline of our upcoming 'Food and Farming Fortnight' which takes place from Friday 27th September to Friday 11th October 2019.

As a school we believe it is important that children know where their food comes from in order to make informed decisions about what they eat.

Throughout the fortnight, we will encourage pupils to re-engage with the countryside, learn about the science behind farming and consider if food production in the UK is sustainable.

Our fortnight will accumulate in our Harvest and AutumnFest Celebrations - we very much hope you will be able to join us for these events.
