

POW SCIENCE FAIR 2019

- THURSDAY 14TH FEBRUARY 2019 - EVERYONE WELCOME TO ENJOY PROJECTS FROM 2:45PM -

OUR PLANS FOR SCIENCE WEEK 2019 ARE BUBBLING AWAY NICELY.
AHEAD OF FURTHER ANNOUNCEMENTS WE WANTED TO GIVE
EVERYONE ADVANCED NOTICE OF OUR UPCOMING SCIENCE FAIR...

#INSPIREDTOLEARN

WHAT COULD YOU PRESENT?

As part of our Science Fair this year we are asking you to make anything you would like that links to Science!

You might want to make something that moves using magnets? Or an object that uses energy? You could make something that shows how shadows are made or you could demonstrate a reaction. The possibilities are endless!
