

GET DORSET BUZZING

DORSET
WILDLIFE
TRUST

A group of children and adults will be planting sunflower seeds in the school's award-winning wildlife friendly garden and into eco-friendly pots they can take home, to kick start the campaign and show everyone how easy it is to do at least one thing to help pollinators.

Come and join us at the
Get Dorset Buzzing
launch event at Prince of Wales School
on Wednesday 20th March. Please arrive at 10.45am.
