2. Identified Barriers (Areas of Need)

Barriers -

A

Broader experience of a range of sports and activities offered to all pupils.

B

Increase the engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.

C

Increase participation in competitive sport.

3. Desired Outcomes

A

Broader experience of a range of sports and activities offered to all pupils.

Desired Outcome... More children taking part in more sports clubs and health based activities both IN SCHOOL and OUTSIDE OF SCHOOL.

Success Criteria -

- PE Co-Ordinator effectively baselines data showing what clubs and health based activities children access both IN SCHOOL and OUTSIDE OF SCHOOL.
- Baseline data is used to inform provision and to assess the impact of a broader offer.

B

Increase the engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.

Desired Outcome... Increased physical activity leads to happier, healthier children who are more engaged in learning.

Success Criteria -

- Evidence of happier and healthier children.
- Improved attendance (reduced illness rates).
