

## DorchesterARTS

### MARY ANNING 'THE MAD WOMAN OF LYME'

Written by Peter John Cooper, produced and performed by AsOne Theatre  
 Weds 25 March 8pm (doors and bar 7.30pm)  
 Corn Exchange, High East Street, Dorchester, Dorset DT1 1HF

In 1846, Lyme Regis fossil hunter, Mary Anning dying, remembers her life through the haze of Laudanum. Challenging the male dominated world of science and religion, this first female palaeontologist threatened the very foundations she was raised on. An exciting, contemporary piece of storytelling. Suitable for all ages 11+

Tickets available from Dorchester Arts  
[enquiries@dorchesterarts.org.uk](mailto:enquiries@dorchesterarts.org.uk) or Tel: 01305 266926

### REFRESHMENTS

Refreshments will be available during the events from a wide variety of outlets in town. For the Family Science Fair on the 15 March, The Posh Partridge, 29 High East Street, will open especially for the event from 10.00am. In addition, Costa will be offering a 10% discount for people attending the Family Science Fair – show them your sticker on the day.

Many thanks to our sponsors for the event, Bournemouth University, Dorchester Town Council, Dorset Museum, Thomas Hardy School, The Royal Society of Biology, The Institute of Physics and with additional support from the European Commission.

**BU** Bournemouth University

**IOP** Institute of Physics South West

TOMORROW'S MUSEUM FOR DORSET ON TOUR

For entry and access information plus updates go to [www.facebook.com/DorchesterScienceFestival](http://www.facebook.com/DorchesterScienceFestival)

# DORCHESTER SCIENCE FESTIVAL

As well as the Family Science Fair, there are a number of activities being run by partners as part of a wider Dorchester Science Festival.

## FAMILY SCIENCE FAIR

Sunday 15 March 2020, 1pm - 5pm  
Corn Exchange, Dorchester, DT1 1HF

Admittance to the Family Science Fair this year will be by ticket only. Tickets are FREE and can be obtained by going to the **Tourist Information Centre, South Walks House, Charles Street, Dorchester** in person to collect. There will be 2 time slots available – from 1pm-3pm and from 3pm-5pm. Tickets will be available from 15 February on a first come first served basis.

In addition, the bug and exotic animal handling activity with World-Life will also require a ticket – which can be obtained when you collect a ticket for the Family Science Fair.

Due to high demand for this event we sincerely ask that if you collect a ticket but then are unable to go, that you return it to the Tourist Information Centre or pass it onto someone who is able to attend.

You will need your ticket on the day, to be admitted to the Family Science Fair

## KITCHEN SCIENCE EXPERIMENTS

Saturday 14 March 2020, 2pm - 3.30pm  
Waterstones Bookshop, South Street, Dorchester, DT1 1DQ

Come along and take part in exciting kitchen science experiments. Using every day household ingredients, we will show you how to perform your very own science lab experiments. No booking necessary. Suitable for ages 7+

## THOMAS HARDYE SCHOOL LECTURES
