1. Summary Information

School: The Prince of Wales School

Academic Year: 2020/2021

Total Number of Pupils: 157

Percentage Eligible: 13 (8.2%)

Stage in Cycle: AUTUMN TERM 2020
TARGET SETTING

SPRING TERM 2021
MID-YEAR REVIEW

SUMMER TERM 2021
END OF YEAR REVIEW

Summary of Funding:

Pupil Premium FSM (+EVER 6) (£1,345): X 9 Children = £12,105

Post LAC (£2,345): X 2 Child = £4,690

Service (£300): X 2 Children = £620

TOTAL = £17,415

...where we are all inspired to learn

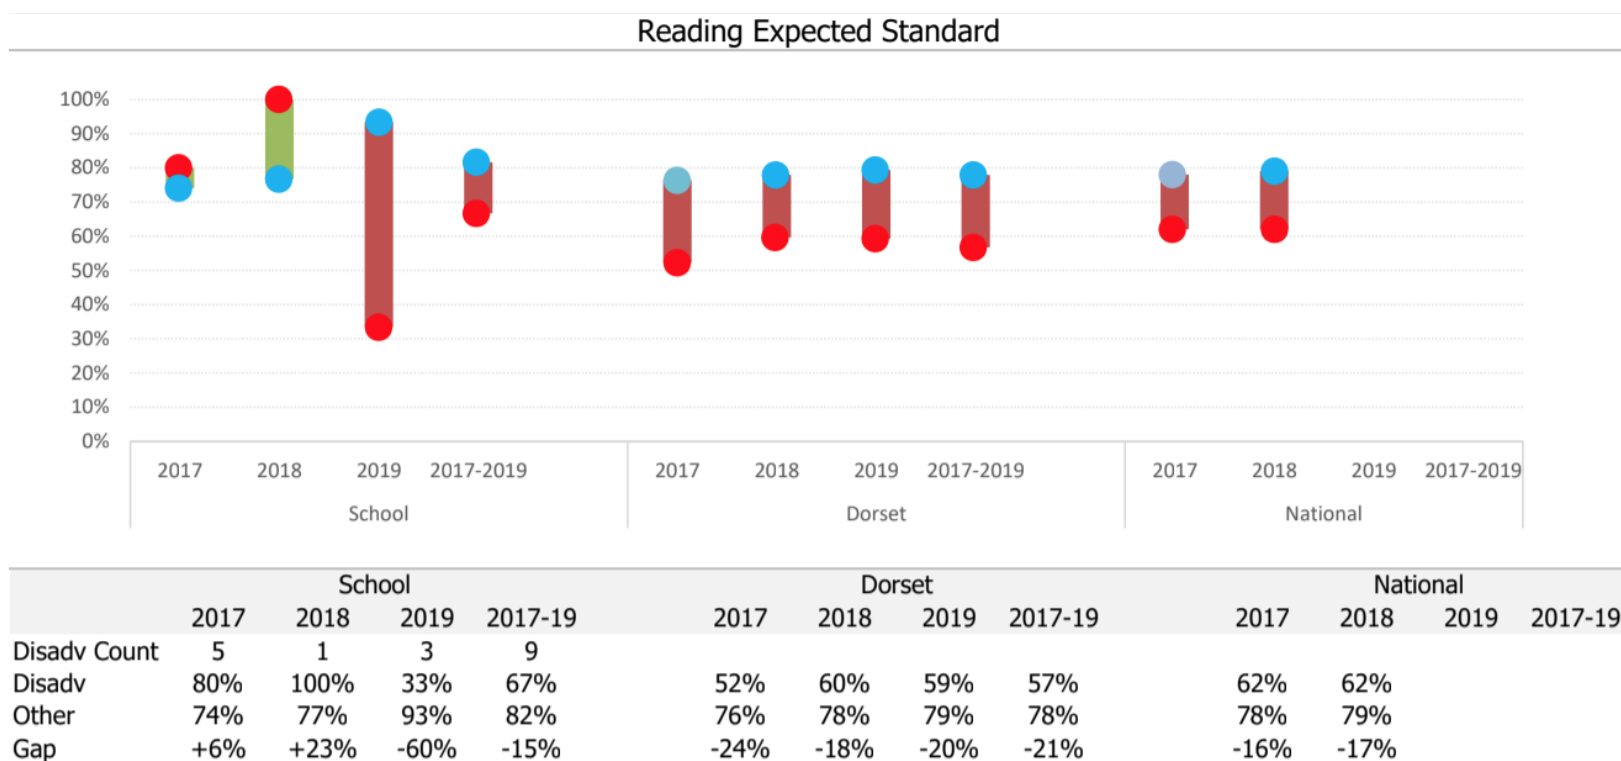

2. Attainment (2019/2020) - UNOFFICIAL - TEACHER ASSESSMENT DATA

	PP	Non-PP	Difference
% achieving GLD in EYFS July 2018 (PP = 2 Pupils of 30)	N/A	59%	N/A
% achieving ARE in Y1 Phonics (PP = 4 Pupils of 32)	100%	94%	+6%
% achieving ARE in KS1 Reading (PP = 4 Pupils of 32)	67%	85%	-18%
% achieving GD in KS1 Reading (PP = 4 Pupils of 32)	33%	25%	+8%
% achieving ARE in KS1 Writing (PP = 4 Pupils of 32)	100%	75%	+25%
% achieving GD in KS1 Writing (PP = 4 Pupils of 32)	0%	11%	-11%
% achieving ARE in KS1 Maths (PP = 4 Pupils of 32)	100%	86%	+14%
% achieving GD in KS1 Maths (PP = 4 Pupils of 32)	33%	21%	12%

A CHANGE IN APPROACH -

Following the Headteacher's attendance of the **2018 Dorset Pupil Premium Conference**, the Senior Leadership Team have reflected considerably on their approach to the spending of Pupil Premium Funding.

At the conference, Sir John Dunford (Formally National Pupil Premium Champion) advocated for the importance of 'relentlessly focusing on the quality of Teaching and Learning'. Sir John made reference to the Sutton Trust (2011) research -

Source: Sutton Trust (2011)

This has challenged our thinking and has helped shape our approach to Pupil Premium expenditure.

...where we are all inspired to learn

6. Barriers to Future Attainment

- 1 YEAR: SHORT-TERM -

- A** Respond to challenges of COVID-19 (Social/Emotional Wellbeing Focus)
- B** Monitor closely impact on attendance following emergence from COVID-19 Lockdown

- 3 YEAR: LONG-TERM -

- C** Increase % children meeting (and exceeding) ARE in KS1 Outcomes
- D** Increase % children working at a Greater Depth in Maths
- E** Children to re-discover the love of Reading

...where we are all inspired to learn

7. Desired Outcomes

A Respond to challenges of COVID-19 (Social/Emotional Wellbeing Focus)

Plans To Address -

- Increase provision of ELSA in school
- Senior ELSA TA to lead a continued programme of support for children and families in response to the challenges of COVID-19.
- **November 2020 Review: Impact will be measured against current COVID 19 challenges. (LINK TO SDP)**

B Monitor closely impact on attendance following emergence from COVID-19 Lockdown

Plans To Address -

- Weekly attendance meetings - supported by admin team
- Use of DASP Attendance Scheme
- Link to ELSA TA critical when looking at hard-to-reach families

C Increase % children meeting (and exceeding) ARE in KS1 Outcomes

Plans To Address -

- Increase Expectation + Increase Challenge of Year 2 Curriculum for ALL CHILDREN.
- Launch 'Power Maths' scheme of work and purchase supporting resource
- Embed SPAG Scheme (Ruth Miskin Spelling Scheme)

...where we are all inspired to learn

- Continue programme of external moderation and challenge.
- Embed new approach to Marking and Feedback

D Increase % children working at a Greater Depth in Maths

Plans To Address -

- Launch 'Power Maths' scheme of work and purchase supporting resource
- Engagement with the DASP Maths Project - 'Maths Mastery'
- Embed new approach to Marking and Feedback

E Children to re-discover the love of Reading

Plans To Address -

- Embed STAR Reading Assessment and Accelerated Reading (AR) Scheme - use of dedicated TA time to support this (new for September 2019)

...where we are all inspired to learn

8. Planned Expenditure (2020/2021)						
EXPENDITURE	£	SUMMARY / INTENDED OUTCOME / MONITORING	IMPACT - MID-YEAR REVIEW			
ELSA Intervention C	£5,000	<p>SUMMARY - Increase provision to four days per week.</p> <p>INTENDED OUTCOME - Improvement ability to understand and regulate emotions. N.B - Why Power Maths?

We chose to adopt 'Power Maths' following our 2018/2019 involvement with the Maths Hubs Teaching for Mastery Programme. This programme made us eligible to claim textbook match-funding.

The scheme suited our setting because it is a whole-class mastery programme designed to spark curiosity and excitement (key ingredients for success at The Prince of Wales School). We believe Power Maths will nurture confidence in maths for all our learners.

At the heart of Power Maths is the belief that all children can achieve. The programme is built around a child-centred lesson design that models and embeds a growth mindset approach to maths.

We also chose to adopt 'Power Maths' as we feel it best reflects the research informed guidance outlined by the EEF in 'Improving Mathematics in Key Stage Two and Three: Guidance Report' (2017) →

EXPENDITURE	£	SUMMARY / INTENDED OUTCOME / MONITORING	IMPACT - MID-YEAR REVIEW		
Embed STAR Reading Assessment and Accelerated Reading (AR)* Scheme, C E	£5,000	SUMMARY - Embed STAR Reading Assessment and Accelerated Reading (AR) Scheme.	Usage remains high and resources have proven effective during periods of lockdown.		
		INTENDED OUTCOME - Children to re-discover the love of reading. Over time Accelerated Reader STAR Reading Tests show accelerated progress for all learners including % of PP children achieving ARE in Y2 Reading to increase by 15%.	Recommended To Continue?		
		How will success be measured? Through analysis of half-termly data reports and external visits. Use of Pupil Voice.	YES	YES - With Changes	NO
		Who will measure success? Headteacher / Committee A. Literacy Link Governors.			
		When will success be measured? Half-Termly.			

* See EEF efficacy trial of Accelerated Reader below -

...where we are all inspired to learn

Accelerated Reader

This page covers the first (efficacy) trial of Accelerated Reader, which tested whether it could work in schools under best possible conditions. To read about the second (effectiveness) trial - testing a scalable model under everyday conditions in a large number of schools - [click here](#).

Accelerated Reader (AR) is a reading management and monitoring programme that aims to foster independent reading. The internet-based software assesses reading age, and suggests books that match pupils' needs and interests. Pupils take computerised quizzes on the books and earn AR points as they progress.

EEF Projects

Accelerated Reader 16th March, 2018

Independent Evaluator Durham University	
Pupils 349	Schools 4
	Grant £147,000
Themes B Behaviour	L Language and literacy
+3	

EEF Summary

Accelerated Reader is widely used in England, but much of the evidence for the approach comes from the US. The EEF funded this evaluation to see if it could have an impact in English secondary schools. This is one of a number of small trials developed by EEF and designed to improve outcomes for struggling readers at the transition from primary to secondary school.

The study found that Year 7 pupils who were offered Accelerated Reader made 3 months' additional progress in reading compared to other similar pupils. For pupils eligible for free school meals the figure was 5 months' additional progress.

For weaker readers, the approach appears to contribute towards catch-up at the start of secondary school, although pupils at very low levels of reading may need initial support from teachers to benefit, if they are not independent readers.

Based on the promising findings from this small study, EEF has now funded an effectiveness trial, to see if the results can be replicated for a larger number of schools.

Research Results

Outcome/Group	Impact - the size of the difference between Accelerated Reader pupils and other pupils	Security - how confident are we in this result?
Reading	+3 Months' Progress	Ⓢ Ⓢ Ⓢ Ⓢ Ⓢ
Reading (FSM)	+5 Months' Progress	N/A

Were the schools in the trial similar to my school?

The project involved four urban, mixed gender, secondary schools. Three of them were rated by OFSTED as "requiring improvement", while the final school was rated as "good".

Around 35% of the pupils in the project schools were eligible for free school meals.

Could I implement this in my school?

Accelerated Reader is available from Renaissance Learning.

For the intervention tested here, 15 staff (teachers, TAs and literacy co-ordinators) from each school attended one day of training.

Accelerated Reader requires space in the timetable for independent reading and schools may also need to increase the number of books in the school library.

delivered by
Teachers

participant group
Individuals

intervention length
22 Weeks

How much will it cost?

Accelerated Reader costs £450 per year for 50 pupils, or £9 per pupil per year. This covers the annual licence needed for each participating pupil (the minimum subscription is for 50 pupils), one day of teacher training and year-long access to a free hotline telephone service.

Cost per pupil
£ £9

Training time per staff member
1 Day

Schools 4	Pupils 349	Key Stage Key Stage 3
Start date January 2012	End date January 2015	Type of trial Efficacy Trial

Evaluation Conclusions

1. Accelerated Reader appears to be effective for weaker readers as a catch-up intervention at the start of secondary school.

For more information, tools & supporting resources, please visit:
<https://educationendowmentfoundation.org.uk/>

Copyright © 2018 Education Endowment Foundation

...where we are all inspired to learn

EEF Projects
Accelerated Reader 16th March, 2018

2. A well-stocked library with a wide collection of books banded according to the Accelerated Reader readability formula, and easy access to computers with internet connection, are the main requirements for successful implementation.
3. Pupils at very low levels of reading may not be independent readers and would need initial support from teacher to start reading books.
4. Schools can lead robust evaluations of their own planned interventions, under favourable circumstances, and with some advice and oversight from expert evaluators.
