PRE-SCHOOL SUN CREAM POLICY

Adopted by the Governing Body on Tuesday 6th March 2018

At The Prince of Wales Pre-School we acknowledge the importance of sun protection and want staff and pupils to enjoy the sun safely.

We will work with staff, pupils and parents to achieve this through:

EDUCATION

Measures in place:

- All pupils will have at least one Sun Safe activity per year.
- We will talk about how to be sun smart and reinforce the need for hats and sun cream at register or snack time at the start of the summer term and before the summer break.
- Parents and guardians will be sent a letter explaining what the pre-school is doing about sun protection and how they can help at the beginning of the summer term.

PROTECTION

Shade:

- When the sun is strong we will encourage pupils to sit/play in the shade where it is available.

Timetabling:

- In the summer months we will aim to schedule outside activities before 11.30am. If this is unavoidable we will ensure hats and appropriate clothing are worn to prevent sunburn and areas of shade are available.
- After lunch we will not go out until 2.00pm to avoid the hottest part of the day.

...where we are all inspired to learn

Clothing:

- When outside in sunny weather, all children will wear a sun hat at all times to protect them from the sun.
- Legionnaire hats are available to purchase from the main school and these cover the ears, face and neck.

Sunscreen:

- Sunscreen use is vital on days when the sun is strong. We encourage you to apply an 8 hour protection sun cream before the start of the pre-school day.
- We will apply sunscreen to your child only if you have signed our permission slip or signed to provide your own.

Note: Children without sunscreen on will not play outside.
