PTO -

...where we are all inspired to learn

As part of our wider 'Inclusive Sports Fortnight' we are pleased to invite you to come and support your child at this year's Sports Day! **Each event will begin at 1.30pm.** The children will remain with their class and rotate around different events.

Year 4 children will also be performing a piece of Samba music following their input in school, to kick things off on Tuesday.

The children will wear their PE kit from school but if you could please ensure you send your child to school with a hat and a drinks bottle, as we are hoping the weather will improve! If you could apply sunscreen before school we can top it up if required. The children will be in small teams within their class but you are encouraged to cheer everyone on!

Dance Day 2019

Following on from the successes of last year, Dance Day is back! Each class will be performing a short dance on **Friday 5th July from 2.30pm.** All are welcome to come into school and watch.

Football Golf

Our Inclusive Sports Fortnight will culminate with each class playing a round of 'Football Golf' on Friday 12th July. The course will be set in the beautiful school grounds and include 9 holes.

More details will follow about this shortly.

This should be a really enjoyable fortnight of activities and fun for everyone!

If you have any questions, please ask your class teacher.
