Building Confidence as we Build to Performance

STAMP after school drama club is enrichment for The Prince Of Wales School as it aims to develop children's confidence.

Throughout the term the children partake in games and activities as well as working towards an end of term presentation. During the last session of the term friends and family are invited to watch the presentation which includes music, props and costumes!

Each child receives a STAMP certificate and a prize is given to those who have gained the most confidence throughout the course.

To avoid disappointment please return your form and fee as soon as possible as there are only 20 spaces per course

All STAMP tutors are highly experienced & creative individuals and are cleared in accordance with the police act 1997.

STAMP is committed to ensuring the children have fun and aims to build their confidence through drama and the end of term performance. We use many activities during the weekly sessions that encourage the children's confidence to develop & we endeavour to transport those skills to the final show.

If you have any questions, please contact us.
