

POW PASSPORT 2020/21

PARENT GUIDE

What is the POW Passport?

Every child at The Prince of Wales School has their own 'POW Passport' that is kept at home. The purpose of the POW Passport is to provide clarity in -

- Vision and Ethos
- Organisation Values and Mindset (BLP)
- School Specialisms

The POW Passport helps children celebrate progress through -

- Marking significant milestones
- Inspiring goal setting
- Increasing aspiration

When do we bring the POW Passport to school?

Whenever a 'milestone' has been met, children should bring their POW Passport to school to stamp their corresponding milestone. Evidence of met milestones should be stored in the plastic wallet provided.

When will progress be checked and by who?

Mr. Spracklen will check children's progress with their POW Passports once per term on the following dates -

When should specific milestones be met?

There are no hard rules of when and how milestones are met. The POW Passport is provided as a personal aid and should always be seen as optional.

A small number of milestones should be seen as 'school specific' and will be covered through planned school-led activities. These are listed below for your convenience -

- **Be A Year 4 Buddy** - All children in Year 4 will always be given the opportunity to be a 'Year 4 Buddy'
- **Sleep in a Roundhouse** - All children in Year 4 will always be given the opportunity to 'Sleep in a Roundhouse'
- **Dress as an Evacuee** - All children in Year 3 or Year 4 will always be given the opportunity to 'Dress as an Evacuee'

Email to Print Service -

We recognise that not everyone has a printer at home. For this reason, if your child would like us to print evidence to store in their POW Passport plastic wallet, please email your photos to -

POWPassport@princeofwales.dorset.sch.uk

Photos sent to this email address will be printed daily and stored in the school office for collection.

And finally... If you have any questions about the POW Passport, or about anything else at all relating to your child's time here at The Prince of Wales School, please feel free to catch Mr Spracklen 1:1 or email him at headteacher@princeofwales.dorset.sch.uk.
