Come along and find out what's out there to help

There will be workshops and plenty of organisations with information stands available for parent carers.

Come and find out what improvements Dorset Council are making to Children Services; have your say on what they are doing; plus meet the teams from Education, Health & Social Care and many other providers.

New!

We are also offering you an opportunity to relax and enjoy a bit of pampering and relaxation on us with FREE 20 minute sessions throughout the day!

The event will include the following:

Understanding 'Outcomes' - outcomes are an essential part of planning for children SEND. This workshop will help you to understand what makes a good *outcome* and how they help to shape your child's future.

Workshop lead: Alison Pinks (Senior Educational Psychologist)

Sensory Strategies for Home & Away - a taster session.

.....
Workshop Lead TBC

Book your FREE place at these workshops - details are on the DPCC website and Facebook page

PLUS: And don't forget the cake!
Lots and lots of cake!
