

CONSENT FORM - IMAGES AND MOVING IMAGES

Dear Parents/Carer,

At The Prince of Wales School, we sometimes take photographs of pupils. We use these photos in the school's prospectus, on the school's website, on the school's official social media platforms (Facebook and Twitter) and on display boards around school. We would like your consent to take photos of your child, and use them in the ways described above. If you're not happy for us to do this, that's no problem – we will accommodate your preferences.

Why are we asking for your consent again?

You may be aware that there are new data protection rules coming in from 25th May 2018. To ensure we are meeting the new requirements, we need to re-seek your consent to take and use images and moving images of your child. We really value using photos and video of children, to be able to showcase what children do in school and show what life at our school is like to others, so we would appreciate you taking the time to give consent again.

Please tick the relevant box(es) below and return this form to school before **Friday 25th May 2018**.
